

Year 5 Homework Letter - Friday 19th May 2017

We now have five beautiful butterflies who came out of their cocoons over the last few days. We have also discovered some ladybirds lurking in their vivarium!

English

This week the children continued their 'Unforgotten' stories. We are taking this slowly, as it a lengthy story, which we want to make the best it can be, and then publish it. So far this week we have included in our writing: time adverbials; rules for dialogue; writing short sentences for effect and using the past participle tense (for example: I had been waiting).

Homework this week will be looking at words that have the 'shun' ending. A sheet is in the homework book. There is also handwriting practise. We also have homework linked to our RE topic on Judaism, the details are all on the sheet in their book.

During Outdoor Learning Week, there is going to be a recycling art competition so I would be really grateful if the children can start to bring in recyclable material consisting of cardboard, metal and plastic. Also, the whole school is getting involved in the countrywide Wastebuster competition. Wastebuster aims to empower children to reduce waste in school and take their learning out of the classroom and into their home, community and the wider world. All we need to do is complete the Wastebuster sheet included in the homework book this week and return it by Friday 26th May for our chance to win £500 for our school.

Have a lovely weekend,
Mrs Cordey and Mr Bowen

Maths

In Maths this week we have been revisited square and cube numbers; prime numbers and both short and long division.

This week's homework will be on Mathematics and is based our learning. This must be completed online by Tuesday evening.

We had a great trip to London on Wednesday, where we visited the Planetarium, the Greenwich Meridian Line and took part in an 'Earth, Moon and Sun' workshop. Thank you parents for bearing with us on our return journey. The children were complimented on their behaviour, well done Year 5. We are very proud of you!

Important dates for your diary

Monday 22nd to Friday 26th May -
Outdoor Learning Week

Thursday 15th June - Residential
meeting at 3.30pm

Saturday 17th June - PTFA Summer
Fair, 12-3.15pm
