

NUTFIELD CHURCH CE VA PRIMARY SCHOOL

**School Priorities for Development 2016 – 2017 - Effectiveness of Leadership and Management**

**COMMUNITY, HOPE, PEACE, LOVE, GRACE, JOY**

	Requires Improvement → <b>Good</b> → <b>Outstanding</b>
<b>Summary findings from Ofsted report November 2015</b>	<p>The new Headteacher has secured the confidence of most who know the school. The full range of views and other inspection evidence indicates overwhelmingly that this is a rapidly improving school.</p> <p>Pupils, many parents, staff, governors, the local authority and the Diocese speak passionately about the positive changes to the school's culture and ethos brought about by the arrival of the new Headteacher. As one parent put it 'the school has moved forward in leaps and bounds'.</p> <p>Leaders and governors at all levels know very well which areas need further attention and where to refine practice in their shared ambition for the school to be outstanding.</p>
<b>The current situation</b>	<p>The substantive Headteacher has been in place since 2014/15 which was half way through the last (RI) inspection cycle. The school has moved to 'Good' in all areas and safeguarding was judged as effective. The new Assistant Headteacher has been promoted to Deputy Headteacher in 15/16. Middle Leaders for Maths, English and Science make the Middle Leaders team. RE is also part of the Middle Leader cycle of monitoring; it is led by the Headteacher and a team approach. Positive staffing has continued the work and enthusiasm of staff which has made a significant impact on the atmosphere of the school. A new curriculum model initiated in 2014/15 is now fully embedded. The four key principles of Core, Knowledge and Understanding, Expressive Arts and Deeper thinking are well established as are the 'bolt ons' for each area. These 'bolt ons' are: standards, outside learning, performance and exhibitions and Philosophy. We aim that these be woven throughout the curriculum. Considerable thought has been given to how British Values can be incorporated in to our six key values, PSHE and Philosophy as well as throughout the curriculum. The financial planning of the school is secure. Governors are now taking a key role alongside the SLT to consider issues of spending allocation for Disadvantaged pupils and Sports' Premium. Governors and SLT are ambitious to ensure spending is intelligent. This has been done by adding a key Governor, increasing monitoring through Outcomes meetings as well as planning in external consultancy work. The school has further improved communication through a range of new systems and structures between office and staff. In addition the Headteacher has initiated parent workshops for EPGS, SATS and Phonics. Training sessions led by Surrey County Council have included 'Steps in to School' and Internet Safety Parent advice groups. There has been a culture shift in the school relating to Behaviour and standards of presentation of uniform and learning. There has also been</p>

	<p>a significant change in the expectations and accountability of teachers. The Headteacher has introduced the need for teamwork and a sense of ‘drive and energy’ has been noted by learning partners. Our recent Ofsted report (Nov 15) and the Notes of visits from a Supported Peer Review (March 16) consistently refer to the culture changes across the school. Much of the recent Ofsted report refers to the impact leaders have made in a short space of time. Recent results show significant improvements across the board. A special mention from Nick Gibb (MP) has been received following 2015/16 phonics results of 97%. KS1 and KS2 results are also improving and are above Surrey and National figures in Reading, Writing and Maths.</p>
