

9th May 2018

Nutfield Church Primary School
59 Mid Street
Redhill
Surrey RH1 4JJ

Dear Miss Woods

On behalf of the Loveworks charity, trustees, staff, volunteers and particularly our service users we want to thank your children, staff and parents for the wonderful food donation to the Loveworks food banks.

We would like to particularly thank your school council who, with Mrs Cordey, delivered the food to our food bank store and helped us to sort, weigh and stack it. All of the food donated has been used in our food bank to feed local families in need. Thanks you also for the cheque for £62 which your school council raised through sales of Loveworks wrist bands, the money will go towards the cost of running the food banks.

The children who visited us were a real credit to your school, their behaviour was exemplary in the way they listened and worked with us. We had some interesting discussions about the food, how it is used and some ideas to feed back to the school about what items are most in need and why.

We are delighted that you chose Loveworks as one of your Love Projects and would be very happy if this could be repeated. When talking to other schools we use Nutfield Church School as a great example of working in partnership with Loveworks. We are extremely grateful to your school community and special thanks again to your school council.

We could not achieve all that we do without our valued community partners like your school.

Thank you.

Best wishes

Kate
