

NUTFIELD CHURCH CE VA PRIMARY SCHOOL

School Priorities for Development 2018 – 2019 - Inclusion

COMMUNITY, PEACE, WISDOM, HOPE, DIGNITY, JOY

	Requires Improvement → Good → Outstanding
Summary findings from Ofsted report November 2015	<p>Teachers expect pupils to work hard. Pupils are keen to do well and rise to these expectations. Their work across subjects is of a good quality and there is clear evidence that their learning is moving forward well, including those working hard to catch up with their peers. Most parents believe that their children are taught well.</p> <p>The extensive, good-quality work in pupils' books and the school's assessment information show that current pupils, including the most able, are making good progress and doing well in a broad range of subjects.</p> <p>Work in the books of disadvantaged pupils reflects the same high expectations as for all pupils. Where pupils are behind their peers, these gaps are identified and targeted. Taking the full range of evidence into account, these pupils typically make at least similar progress as their peers and sometimes better progress.</p> <p>Pupils with special educational needs make good progress in line with other pupils. Several parents of children with special educational needs particularly praised the school's work in this area. By the time that they leave, the gaps between the levels reached by these pupils and all pupils nationally are smaller than average.</p>
Summary findings from SIAMS report April 2018	<p>Through the loving Christian ethos of Nutfield Church School pupils flourish and are challenged to 'live life in all its fullness' as the vision declares. As a result standards are above local and national levels. Attendance is high at 97%. All are welcomed regardless of race, religion or culture. Each pupil is known and greatly valued as an individual and seen as precious in the eyes of God.</p> <p>'At Nutfield Church Primary, we are all different and we like it that way' attests the Peace-Makers' Charter. Because of this the whole child is supported according to their needs with interventions in place to encourage personal and academic development and well-being. For example, bereavement artwork consoles those who have lost loved ones.</p> <p>Determined and imaginative strategies are employed. Solutions are found no matter how challenging the circumstances. The school's core values of community, peace, wisdom, hope, dignity and joy interlink and bind the school community together.</p>
