

## Year 5 Homework Letter

5<sup>th</sup> October 2018

*It was lovely to see so many of you at Harvest this week. Thank you for all of your lovely donations, they have been gratefully received.*

### English

*This week in English we have continued with our book 'The Hidden Forest' by Jeannie Baker. The children have been writing a response to a letter we received in the post from the character in the book. They have been focusing on using modal verbs (e.g: could, should, would, etc...) and fronted adverbials.*

### Maths

*This week in Maths, we have consolidated our learning of classifying angles. The children have also learnt how to use a protractor to measure an angle, including; acute, obtuse, reflex and right angles.*

### R.E

*As part of our Buddhism topic, the children have been learning about the story of the Monkey King. The children re-in-acted the story in their groups and thought carefully about what the story means to Buddhists.*

### Junk Modelling

*Next week we are going to start a junk modelling project, where we are going to create an Anderson shelter. I have asked the children to bring in as much recycling as they can. Our shelters are only going to be small, so we don't need any large cardboard boxes. However, recycling such as: 2 litre bottles, cereal packets, egg cartons would be gratefully appreciated.*

### Homework

*This week please complete the spelling worksheet. These words are taken from the Years 5 and 6 curriculum, as well as the high frequency words list. Please practise times tables as much as possible at home. This weeks, Maths homework is measuring angles on MyMaths. As usual, please read with your child for 20 minutes a day and record it in their homework diaries.*

### Dates to remember:

- 11.10.18** - Bags 2 Sch
- 15.10.18** - PTFA Cinema
