

Year R Homework Letter

23.11.18

The children had brilliant fun building their traps to catch 'The Very Hungry Caterpillar'!

This week

The class decided that the best way to stop 'The Very Hungry Caterpillar' from eating our fruit was to build a trap. They worked in teams using a variety of equipment such as tarpaulin sheets, clips, plastic sticks, mallets and string. They worked well as a team, sharing ideas and thoughts.

Everyone was excited to leave it overnight to see if we would catch him, and we did!

English

The children have been very excited about their Caterpillar trap. They have been making some super pictures of the Caterpillar and have been thinking about what will happen next. They designed their own butterfly and we have been thinking as a class about how to write some labels, for example: red & big.

Phonics

In class, we have continued to learn Phase 3 phonemes. This week, the children have learnt 'y', 'z', 'zz' and 'qu'. The children are getting more confident with adding sound buttons to simple words! For example:

red
○○○

Please continue to play the 'Snakes and Ladders' game at home.

Maths

The class have been working on counting up to 20. The children have been working really hard to remember the 'pre-teen' numbers '11' and '12'. They have also been working together to count backwards from 10. Please feel free to practise this with your children at home.

There is a Men's Hugo Boss jacket in the school office, left from the Year R coffee morning. Please let me know if it belongs to you or pop in and get it.

If you have any questions or queries, please catch me in the playground at the end of the day or write in your child's home contact book to arrange an appointment.

Have a lovely weekend,
Miss Johnston and Mr Eddington
