

## Year R Homework Letter

**8.2.19**

*There is now a money box in our class to raise money for the Lent Appeal. This money goes to support a range of projects in our link diocese Zimbabwe. If you have any change for this cause, please bring it to Reception.*

### ***This week***

*This term, Nutfield Church School are focusing in Computing on learning about online safety. Reception have been watching videos about Hector and his friends from Hector's World.*

*This has involved speaking about strangers and how to always stay safe when playing on the internet. This week's lesson was focused on not giving away too much personal information to people we do not know. The class have been very interested in the concept of strangers and have been eager to ask lots of questions about which adults they can trust.*

*Please do speak to your child about stranger danger and online safety.*

### ***English***

*Reception worked collaboratively in teams of 6 to write a sentences. They used their Phonics knowledge to segment and blend all of the words to write them down. The children all worked hard to use finger spaces and a full stop.*

### ***Phonics***

*We have learnt 'ar' (harm), 'er' (corner), 'ur' (hurt) and 'or' (for). The children have been building on their knowledge and understanding of tricky words by using these in their sentences.*

### ***Maths***

*The children have been experimenting with the mathematical concept of heavy and light. For this, the children used balancing scales and a range of everyday objects. As part of their learning, the children have been encouraged to predict which object will be heavier before testing it using the balance scales.*
