

Year R Homework Letter

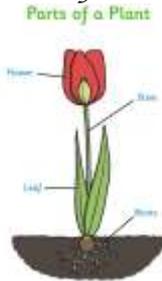

1.3.19

The children are massively enjoying the whole school book we are looking at to celebrate World Book Day, 'Return' by Aaron Becker.

This week

The children have been learning all about growing this week. We have spoken about what plants need to grow and the importance of water and sunlight. The children have also been learning about the different parts of a plant and why each part is important.

For this, we have looked at different plants and have even planted our own seeds. The children all decorated a plant pot, filled it with soil and then planted a seed of their choice. We are going to monitor their growth over this term to see how much they grow.

English

The whole school is Reading 'Return' by Aaron Becker to celebrate World Book Day. The children have been designing their own world and have been working incredibly hard to write a label to go with it.

Phonics

We have been re-capping the phonemes we have learnt. This week: 'ch', 'sh', 'ee', 'oo', 'ai', 'oa', 'th', and 'ng'.

The children have been working hard to apply their Phonics knowledge to their writing this week.

Maths

This week, our focus is adding. The children have been using objects to help them count, as well as their fingers and number lines.

As a special treat at the end of the week, we played a number blocks game!

This is an excellent programme on Cbeebies which is focused on Maths and helps children with their number understanding. There are many games for you to play at home if you wish!

This term, we are supporting the Southwark Lent Appeal. This money goes to support a range of projects in our link diocese in Zimbabwe. The Reception Lent Appeal money box is in our classroom, if you have any change for this cause, please bring it to Reception.

If you have any questions or queries, please catch me in the playground at the end of the day or write in your child's home contact book to arrange an appointment. Have a lovely weekend,
Miss Johnston and Mr Eddington
