

Year R Homework Letter

22.3.19

During parents evening, there will be a display of the online safety and anti-Bullying learning the children have been taking part in this term.

This week

The class have all made a sun catcher based on our RE learning. We have also been learning about the Easter story and this week focused on Jesus dyeing on the cross.

To think about this, the children went on a hunt around the school to see where we have a cross. They found lots in a range of places, including every classroom and the school hall. The children then each made a sun catcher in the shape of a cross. These will be displayed on the class windows for you to see.

PTFA Spelling Bee

The sponsorship form has been sent out today. This is to raise money for the school through the PTFA. The children need to learn to spell these words (or segment and blend them verbally for Reception) and we will go through them in the last week of term. Happy Spelling!

English

The children have discovered our new book is called 'Little Red' by Lynn Roberts. The class have read the first 3 pages and have written some excellent predictions about what will happen next!

Phonics

The class have been working hard to recognise tricky words from Phase 2 and 3. In addition to this, we have been writing words and sentences that include some words from the high frequency words list. This list will be handed out at Parents' evening.

Maths

This week, we have been learning about 3D shapes: cylinder, sphere, cube, cuboid and cone. The children have sung a super shapes song and have been very excited to play a matching game.

There is an activity in the homework book for you to try. The children can either cut the pictures out and stick them in or draw a line to the correct box.

This term, we are supporting the Southwark Lent Appeal. This money goes to support a range of projects in our link diocese in Zimbabwe. The Reception Lent Appeal money box is in our classroom, if you have any change for this cause, please bring it to Reception.

We are also continuing to support LoveWorks by bringing in a tin a week. Please continue to bring these in if you can.

If you have any questions or queries, please catch me in the playground at the end of the day or write in your child's home contact book to arrange an appointment.

Have a lovely weekend,

Miss Johnston and Mr Eddington
