

Year 2 Homework letter 19.07.2019

We can't believe that this is our final homework letter for Year 2! We have had so many highlights this year that there is simply not enough room on the page to mention them all. Year 2 have particularly enjoyed their trips: the R.E Christmas experience at Redhill Methodist Church and our more recent visit to Hever Castle. At Christmas we sung our hearts out and danced our way through the Nativity - 'A Midwife Crisis'. In the Spring term we made Tudor houses and then, with the help of Reigate Fire Brigade, we burnt them to the ground to recreate the Fire of London. Mrs Brooks and I have thoroughly enjoyed teaching your children this year, we have had a lot of fun in amongst all that hard work and we are immensely proud of all that they have achieved. We look forward to watching the children in the next academic year reach for the stars and succeed once again.

English

This week we continued reading 'Rosie Revere, Engineer' by Andrea Beaty. This week the children received a letter from Rosie herself asking them for their engineering expertise. They were tasked with researching the role of an engineer, as well as famous bridge landmarks across the globe. At the end of the week the children produced leaflets containing their gathered information to send back to Rosie to support her project.

Maths

During our learning this week Year 2 have been looking at using weight. At the beginning of the week the children weighed a variety of different objects, comparing and ordering by weight. At the end of the week the children looked at when to use grams and kilograms.

Homework

There will be no homework set this week as it is the last homework letter of the year.

However, please do remember to keep reading over the summer holidays and practise any writing (short story or diary entry) or maths (using money, adding or subtracting and telling the time) if the opportunity arises, to be ready to start the new academic year strong.

Plastic Bags

Over the course of next week the children will begin to bring all of their books home. Please provide your child with a plastic bag on Monday, Tuesday and Wednesday. The children have done so much work and are excited to share all that they have done with you!

Board Game

On Wednesday the children can bring in one board game of their choice for a fun filled last afternoon

Diary Dates

Wednesday 24th July: last day of term—3:15pm finish

Wednesday 4th September—Inset day

Thursday 5th September—Children back to school.

And finally...

We hope you have a wonderful, relaxing summer break, full of adventures and happy memories. We will miss you all!

Mrs Brooks, Mr Bowen and Miss Murray—The Year 2 Team.
