

Year 6 Homework Letter

19-07-19

"For I know the plans I have for you," declares the LORD, "plans to prosper you and not to harm you, plans to give you hope and future."- Jeremiah 29:11

This week marks 50 years since the first man stepped foot on the moon, so Year 6 took the opportunity to learn about Neil Armstrong, Buzz Aldrin and the Apollo 11 mission. The children investigated all details of this mission and learnt how complicated it was.

It was lovely to see so many of you in our Art Exhibition. The children were very proud to show their art pieces.

On Wednesday, Mr Ward, a former detective inspector, visited Year 6 to teach the children about rights, responsibilities and choices. A crime scene was created in the classroom and the children learnt how to find different types of evidence including DNA, Physical, and finger prints

Year 6 Business enterprise end of year project

The children worked really hard during their end of year enterprise project. The total amount that they raised was more than £160! Well done! I am sure that all profit will be used well towards the fabulous end of year party.

This is my last letter to all of you. I must admit I have tears in my eyes as I am writing this. Time has gone by so fast... They say time flies when you are having fun. I guess it's true. This has been an incredible year for us. We have grown and learned so much ... We have shared all kinds of moments: happy, sad, fun, magical...

Each of the children has given their best; each of them has worked really hard throughout this year. I can't find the words to describe how proud I am of them all. I'm grateful for all we have shared. I would especially like to thank the children for helping me to become a better teacher. Thank you for reminding me that my job is not a job, but a passion. I love being a teacher more and more every day. Each child has made a difference to me. I will remember you always.

On Thursday Year 6 children attended their Southwark Diocese Leavers' Service along with pupils from schools throughout the Southwark Diocese. The service was beautiful, and it offered a time for the children to reflect on their primary school days at Nutfield Church.

*It has been a pleasure teaching your children. I wish them all the very best for the future. Have a lovely summer!
Regards,*

Mrs Cox and Mr Green
