

Year 6 Homework letter Friday 28th June 2019

"It always seems impossible until it is done". Nelson Mandela

Timings for the end of year production.

Rehearsals for our production are going well. The children are very enthusiastic. Thank you for bringing all the costumes in.

On the nights of our production, it is important that the children are on time in order to get ready with their costumes. Year 6 children should arrive at the school at 5.15 p.m with a bottle of water.

Reports

We will be sending out your child's report on Tuesday 9th July. This will be a few days later than the rest of the school to coincide with the

Government's release of the official SATs results for key stage 2 pupils (released on 9th

July). If you have any questions regarding the report, please do ask me at the Open Evening on Thursday 11th July from 3.30-5.30pm.

Pottery Art

On Wednesday afternoon, Mrs Davey, an artist who specialises in ceramics, visited Year 6. The children made clay coil pots with their own designs. Coiled pots are constructed by gradually stacking and joining coils of clay one on top of the other.

End of Year Enterprise

This week, the children have carried out market research finding out information about what product will be more suitable to sell. Each group designed a questionnaire. With the data, they gathered, they will present information using graphics.

Moving to secondary school

It has been a privilege to welcome Sparkfish to help prepare our Year 6 pupils with their transition to secondary school.

The children talked about some of their hopes and fears.

They were given positive tips to make this transition easier and to settle more quickly into their first year of secondary school.
