

Year 6 Homework letter Friday 5th July 2019

For I know the plans I have for you," declares the LORD, "plans to prosper you and not to harm you, plans to give you hope and future."

Timings for the end of year production.

Rehearsals for our production are going well. The children are very enthusiastic. Thank you for bringing all the costumes in.

On the nights of our production, it is important that the children are in school on time in order to get dressed in their costumes. Year 6 children should arrive at the school at 5.15 p.m with a bottle of water.

Reports

We will be sending out your child's report on Tuesday 9th July. This will be a few days later than the rest of the school to coincide with the Government's release of the official SATs results for key stage 2 pupils released on

End of Year Enterprise

The children have now completed their entrepreneur tasks. They have received £6.00 from me to 'buy' the resources that they need. A record is being kept by each group to monitor the budget for the activity. Next week the children will organise the production of their products. They will need to work out how and when they will make their products. They will also need to make several products in order to have enough to sell on the 12th of July and to make some profit! It's amazing how hard the children worked in the business enterprise!

Secondary school visits.

The children all came back with great enthusiasm and excitement after their day at their new secondary schools. It has been lovely to hear about the children's experiences and new friends they have met.
