

Year R Homework letter
28st June 2019

The children all had lots of fun at Sports Day on Thursday! Thank you to everyone who came to support the children.

English

This week, the children have continued working hard to show off their knowledge when writing words and sentences. For this, the children have focused on segmenting and blending the words whilst remembering to use finger spaces and a full stop.

Maths

We have been focusing on using directional language. They have been using the terms 'forwards', 'backwards', 'up', 'down', 'right' and 'left'. For this activity, the children used '2go' on Purple Mash. They each had to direct their bee to get to the flowers using the arrows and the directional language.

Phonics

The children have been focusing on using the trigraphs 'igh', 'ure', 'ear' and 'air'. There is an activity for you all to try at home. For this, the children need to look at the picture and write a label, the boxes are there to help the children segment the words. The answers are in the book to help!

St Peter and St Paul's Festival

On 29th and 30th June 2-5pm St Peter and St Paul's Church is open for tea and home-made cake. The church will be decorated with floral arrangements and there will be an opportunity to look around this ancient building and even try bell-ringing!

This week

All of the children did brilliantly at sports day. They were enthusiastic to join in and were all very proud of their achievements throughout the day. They got a chance to use the skills they have been building up this year in PE and were able to join in with all of the activities.

And finally...

If you have any questions or queries, please catch me in the playground at the end of the day or write in your child's home contact book to arrange an appointment.

Have a lovely weekend, Miss Johnston and Mr Eddington
