

Nutfield Church (CE) Primary School

Anti-Bullying Partnership Meeting

Autumn Term 2019

Date: 26th November 2019, 2:15pm

Present: AB, LB, PH, SR, JV

Apologies: LB, LHG

Agenda:

1. Introductions – who is in the team?

AB introduced the members of the team, including herself, Deputy Head and Inclusion Lead, Loraine Bainbridge, Learning Mentor, Jane Vorster, Governor. The staff members were chosen deliberately to reflect a range of roles within the school. Also in attendance were Mrs Penny Hickey and Mrs Sarah Robson, parents.

2. Children's Anti- Bullying Partnership – meet the children

The children joined the meeting to say hello. They are: Walter, Delphine, Harry G, Amelia, Emmy, Tabitha, Harry F, Evie, Jacob, Gabriel, Emily and Rudy. The children explained they were the “eyes and ears” for the adults, helping to keep them informed. Their current job this term is to help AB to analyse the pupil questionnaires which were completed recently.

3. Share results of the Gold Chartermark Accreditation

AB shared the results of the Gold accreditation and the groups compared these with the results of the Silver accreditation in 2015. There are no particular action points from the most recent

accreditation and so the key role this year is to maintain and further develop our practice.

4. Action Plan and forward planning

AB shared the action plan for the academic year 2019/20. Some of the actions are to continue and consolidate the excellent work already happening within the school. In addition we are looking to further develop our Wellbeing Curriculum which has begun this year and to embed the restorative approach following whole staff training last year. We are also keen to work in partnership with other schools who are looking to develop their Anti-Bullying strategy or looking to apply to the Surrey Chartermark scheme.
