

Year R Homework Letter - Friday 10th September 2021

Our Learning This Week

Literacy

In Literacy this week, we have been helping Bob the class bear to settle into his new school. The children have learnt how to spell Bob's name and what capital and lower case letters are and how we use them when writing names.

Phonics

The children have made a fantastic start to their phonics and this week have learnt the phonemes 's', 'a', 't', 'p' and 'i' and have been practicing writing their graphemes.

Maths

In Maths this week, the children have been learning how to count from 0 to 5, what the numerals look like and finding quantities of a given number.

R.E

In R.E this week the children have started their new topic 'Who Made the Wonderful World?' During their session we thought and talked about all of the things that are really special and precious to us, like our families, friends, pets and toys!

PSED

This week in PSED we have been considering our similarities and difference. It gave the children a good opportunity to develop their communication skills as they took turns sharing with the rest of the class.

If you need to talk with me please don't hesitate to catch me on the playground, email me, write in the home contact book or we can arrange a phone call conversation. Have a lovely weekend!
Mrs Rutter and Mr Eddington
