

Year 3 Homework letter - Friday 3rd December 2021

School community Christmas tree:

Please could I remind everyone that everyone that our school community Christmas tree is now up in the hall. Please do bring in one bauble (each) that can be added to the tree.

English:

This week Year 3 have been filled with wonderful creativity! The children have begun to write their personally innovated story, based on their own giant. They have also created a character centred on themselves, taking them on a journey linked to the sequencing of the original BFG text. It has been delightful to see the children's inventive ideas coming to life as they take a journey to strange mysterious lands after being stolen away during the middle of the night.

Maths:

This week in Maths we have been focusing on interpreting statistical data and collecting our own. We have look at using tally charts, tables, bar graphs and pictograms.
