

## Year 4 Homework letter - Friday 10th December 2021

**Nut Free School:** Please remember that Nutfield Church Primary is a nut free school. This includes all snacks at break time and pack lunches. If you are unsure if a product is 'nut free' please do check it's label.

### English

During English this week we have started our new book, 'The Winter's Child' written by Angela McAllister and illustrated by Gra-hame Baker-Smith.

We started by reviewing the front cover of the book to infer what might happen during the story. Inference is a key skill we are developing this year. We finished off the week by writing our very first poem of Year 4, using noun phrases inspired by our new text. The children really enjoyed this activity and came up with some fantastic ideas.

### Homework

For homework I would like the children to read and practise their spellings. The words this week focus on all of the spelling rules we have studied during the term. As usual there will be a test on Friday morning. For Maths homework this week I would like the class to focus on the 8 times table. We will be working on the 8 times table during the week and I will also be testing the children.

### Dates for your Diary

### And finally...

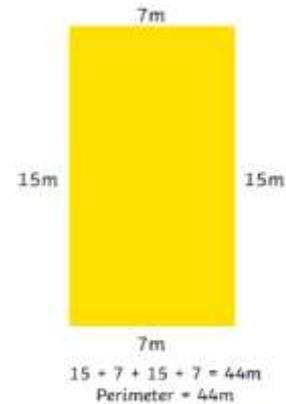

It was so nice to get back to school and see everyone. I was really touched with the card Mrs Hickey and the children sent to me. It cheered me up no end. I am looking forward to seeing you all for Parent and Carer meetings over the next few days.

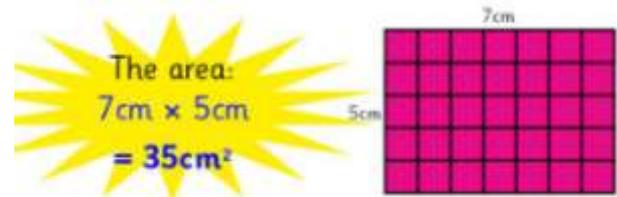

### Maths

This week we have been looking at perimeter and area during our Maths lessons.

### Nativity

On Thursday afternoon the children had a great time watching the Nativity performance. Reception, Year 1 and Year 2 did amazingly well - a real showstopper which the whole school enjoyed.

### Christmas Fair

Thank you so much for braving the elements and joining us for our Christmas Fair on Tuesday afternoon. I know the children had a wonderful time and we are very grateful for all your support.
